**Questionnaire for Prospective Puppy Buyers**

We want to ensure that our puppies are matched with the best home for each of them. Please complete the following questions. There are no right or wrong answers, but please answer all the questions honestly so that I can best match you with the puppy most suited to your home. Please note that all of our puppies are sold on a "Limited Registration" (non-breeding). I would be happy to explain how that works, or you can get more information on the AKC web site: [www.akc.org](http://www.akc.org).

*Please note this form is not designed to be filled out online. Please copy and paste the text into an e-mail, or fill in and scan, and send to bturner@gvtc.com.*
